

# Neighbor Radio

## Neighborhoods Project

The Neighbor Radio project is setup and expanding for urgent, non-urgent, social, emergency, chat or watch communications in neighborhoods.

Communication Needed	Neighbor Radio Radio Is:
Emergency :	Emergency Radio
Urgent	Urgent Radio
Non-Urgent	Non-Urgent Radio
Local Social	Local Social Radio
Local Chat	Local Chat Radio
Neighborhood Watch	Neighborhood Watch Radio
Announcement	Announcement Radio

Inexpensive UHF two-way radios, distributed *free* to participants, operate over the neighborhood group area utilizing Neighbor Radio site UHF GMRS repeaters.

<http://neighborradio.org>--- Order Free Radios

Neighbor Radio site repeaters operate electric-grid-independent during power outage. See ***“Preparedness”*** at web.

Who said, "when local cell phone communications is absolutely ***most*** needed, - - - *It will not be available*"?

*Bob Hutchinson, Wireless Industry Association president, 1997.*

No information required. This is a free public service. Nothing to buy. Neighbor Radio does not sell anything.

Neighbor Radio Project is a public service endeavor sponsored, funded and supported by the Wireless Industry Association's non-profit Neighborhood Watch Radio program and local businesses, civic organizations, volunteers, and participants. Nothing to buy.

***See, post, promote Neighbor Radio at your Nextdoor.com web site.***
